Received 17 December 2004

**Abstract.** A list of 21 enchytraeid species (Oligochaeta, Enchytraeidae) new to science described in 2002–2005 is presented.

**Key words:** enchytraeids, new species.

This list of new species continues the lists of new enchytraeid taxa published in previous issues of the *Newsletter on Enchytraeidae*.
